

A FOKOSW DOCUMENT

A strange title for a strange ritual. The goal of this ritual is to use confusion and delirium (otherwise negative thoughts in the crazy category) to bring about order in someone's life.

- 1. Gather yourself in a room and play some hypnotic music**
- 2. After being in a trance like state, make a offering of art to the King in Yellow (Hastur)**
- 3. Light three yellow candles**
- 4. Burn the artwork onto the candle while chanting "Ave Kaiwan! Agios Kaiwan!"**
- 5. Spread the ashes of the remains onto your altar**
- 6. Make the yellow sign infused with your own blood**
- 7. Collect the ashes into a pot**

> *Use those ashes whenever you feel like it
